A Broken Rhythms Fundraiser

RAISING MONEY NEVER LOOKED SO GOOD

Message from Broken Rhythms
Artistic/Executive Director and
Choreographer
Dyana Sonik-Henderson

WELCOME TO LASHBASH

We acknowledge and respect the beautiful unceded and traditional territories of the Lekwungen People, who are now known as the Esquimalt and Songhees Nations.

By creating and dancing on ləkʷəŋən Territory, we take on a role that comes with responsibilities to the land and its stewards. We are committed to using our bodies and artistic platform to support these communities and organizations.

I sit in gratitude to be an artist on these lands and being able to share my passion with you tonight. Broken Rhythms Victoria Society has just completed one of our most creative years and continues to focus on hiring local artists, community activism and commitment to the local arts scene.

The funds raised tonight will support Broken Rhythms' upcoming 2025-2026 season and additionally allow the company to support the community we owe so much to.
